Flyer Template Instruction

Design

Design size is A4, 2480 x 3508 pixels at 300dpi, with a 6 mm (71 pixels) free border around. Use only the printable area inside. Keep text free from the edge of the printable area.

Front p1

The front page (p1) supports three (3) planks. The logo includes space for a local region, e.g. for municipal ("gemeente") elections. Also for the landingpage. The list number is optional.

Back p2

On the back page (p2) name and portrait picture of the lead candidate ("lijsttrekker"), and a quote.

Picture

The photograph has an aspect ratio of 3:4, and a resolution of 768 x 1024 pixels minimum.

Quote

There is room for a text of up to about twenty (20) words.

Print

Print on A5 or A6 format, requires at least a 3 to 4 mm free border of the printable area.

Assembly

Export

Export each page as a PNG.

PDF

Import the pages as layers on top of each other in one design file and export as a PDF (A4 size) with seperate layers as pages.

Sharepic social media

Import both pages, position them next to each other, scale the layers to 25% and export.
